

Come work with Kim Johansen

Kim Johansen Transport Group has over the last 10 years grown to be one of the leading transportation companies in Denmark. Our 750 employees and fleet of 380 trucks ensures the transport of full loads time-sensitive goods such as spare parts, mail and fresh fish arrive safely at our customers destination. Among our customers you will find some of Europe's largest airlines and internationally recognized manufacturing companies. Our headquarters are situated in Greve, but we also have offices in Oslo, Paris, Zielona Gora, Cluj and Tallinn. We are an informal and dynamic organization with a flat organizational structure.

Job Conditions:

You will be a part of a work schedule of 8 weeks at working and 3 weeks off. The working hours are in accordance with EU-regulations. You will not have your own truck, but we try to do the planning, so you will be a member of a group sharing the same trips and trucks. After finishing your work schedule in the truck you will have your rest period in one of our apartments across Europe.

Salary

A competitive salary, which will be evaluated once a year. You will get a fixed salary incl. health insurance and pension. This will be combined with a daily allowance for the days you are at work. The salary will depend on your competences and performance.

Other benefits

- Salary will be paid to you on the 10th every month to your bank account.
- Accommodation in our apartments is free. In some of them WIFI is available.
- All our trucks are under 4 years, with on board computers installed for communication, navigation and handling of the driving resting regulations.
- You will get a mobile phone for company use only, safety shoes/vest, winter jacket, T-shirts etc.

- 24 hours service desk ready to help you in all matters.
- You will have access to our "drivers portal" where you will get your pay slips, company news and other service information

What we expect from you?

Professional and personal skills:

- A basic knowledge of English will be preferred
- Experience in driving heavy trucks in the EU
- Experience in driving resting regulations
- A positive and service minded attitude
- A respectful and loyal behavior
- Engaged and motivated

Employment test

You will be tested before employment in the following:

- Driving a truck
- Connecting the truck to trailers
- Handling the truck

This test will be performed at our headquarter in Greve. Kim Johansen Transport Group will compensate part of the travel costs after signing the employment contract.

Required documents

- Relevant CV
- Driving licence (C+E)
- Digital Driver Card
- ADR certificate
